

Project Experience

Marine

Project information

location	Richards Bay South Africa
client	Yacht Corade
project	Wooden Deck refurbishment
climatic conditions	summer 32°C 80%-96% RH
substrate	Wooden (bamboo) deck
surf. preparation	St 2
System	MCU-Clearcoat MCU-Clearcoat MCU-Clearcoat

The owner of this elegant twin-master has chosen MCU-Coatings' mcu-clearcoat to protect all his exterior wood.

Its flexibility and extreme durability, its 100% pure aliphatic resin (no mixtures) and its smooth flow makes MCU-Clearcoat as the best choice of maritime varnishes.
